

South East Transport Planning Workshop

30th September 2011 : 10.00-16.00

Holiday Inn, Egerton Road, Guildford, Surrey

You are invited to attend a workshop hosted by the South East Partnership. The workshop will help agencies in the South East, who are involved in the managing and delivery of 'business as usual' transportation, to:

1. Understand the potential impact of the London 2012 Games on their services
2. Plan for any potential disruption.

Speakers include: The Olympic Delivery Authority and the Cabinet Office. LOCOG, the ODA and the Cabinet Office have been involved in the development of the content and programme.

If you would like to attend the event, please email karenlacey@seeda.co.uk with your name and contact details no later than Friday 16th September 2011 (please also advise if you have any special dietary requirements).

An outline agenda for the session is attached.
